John Allerton, 64 Years Old,
Confronted by Damning
Evidence.

International News Service:
GRAND RAPIDS, Mich., Oct. 3.—
Confronted by damning evidence,
John Allerton, 64 years old, of Ash-
tubula, O., Tuesday still maintained
that he is not the slayer of Mrs. S.
St. John, 55 years old, of Mayfield,
N. Y., whose body was found in the
woods near here Sunday with two
bullet holes in the head. Mrs. St.
John, according to Sheriff Berry, was
lured to Grand Rapids by a promise
of marriage. Allerton purchased a
revolver the day before she arrived.
The weapon was found in a hand-
bag in which Mrs. St. John had
brought her life savings. Six persons
have identified Allerton as the man

Good Old Home-Made
Family Cough Remedy

Much Better than the Ready-Made
Kind—Easily and Cheaply
Prepared.

If you examined the curative prop-
erties of every known "ready-made" cough
remedy, you would hardly be in it. In
the curative power that lies in this
simple "home-made" cough syrup which
takes only a few minutes to prepare.
Get from any druggist 2½ ounces of
Pinex (50 cents worth), pour it into a
pint bottle and fill the bottle with plain
granulated sugar syrup. The total cost
is about 54 cents and gives you a full
gallon of really better cough syrup than
you could buy ready-made for \$2.50.
This pleasant and never spoils.
Take Pinex and sugar syrup, prepara-
tion gets right at the cause of a cough
and gives almost immediate relief. It
loosens the phlegm, soothes the inflamed
throat and breaks the sore, irritated
membranes that line the throat, chest
and bronchial tubes so gently
and easily that it is really astonishing.
A day's use will usually overcome the
ordinary cough and the bronchitis,
croup, whooping cough and bronchial
asthma, there is nothing better.
Pinex is a most valuable concentrated
compound of genuine Norway pine ex-
tract, combined with ginger and has
been used for generations to break up
severe coughs.
To avoid disappointment, be sure to
ask your druggist for "Pinex" and don't
accept anything else. A guarantee of
absolute satisfaction or money prompt-
ly refunded, goes with this preparation.

Mothers, Wives, Sisters

While drifting from bad to worse, as
all slaves of Demon Alcohol do, I unex-
pectedly found myself drinking. I saved
my life. My health was quickly re-
stored. I became an honest and respectable
man, enjoying every benefit of freedom
from the accursed alcohol. I speedily
and naturally lost all desire for drink. I
lost less and less my love for coffee,
butter-milk and other non-alcoholic
liquids; the craving for liquor ceased.
I could sleep peacefully, my stomach be-
came well, and I recovered from other
ailments which were no doubt due to my
intemperance in strong drink.

DEADLY DRINK HABIT

It was done in 3 days; if I had relied
upon will-power or faith I would still be
a drunkard, because alcohol slave has
no will-power while drinking. I realized
so greatly in having found true relief
that I decided to devote a part of my life
to helping remove the curse from others
and my success has been marvelous. Many
are saved from the drink habit because
they desire to get rid of it forever and
others who do not have any will-power
left are rescued without their knowledge
by loving wives and sisters. Friends
through secret method explained. The
after-effect of getting rid of drink habit
gives energy, health, and the entire body,
the mind, memory and will-power may be
wonderfully strengthened.

I tell facts in my 14c book. Think of
it: a complete and delightful victory over
drink habit between Friday and Monday
and any other day. Get my book
and save the drinker!

GRAND RAPIDS, Mich., Oct. 3.—

Travis, 42 years old, a well to do
farmer, living near Fremont, Mich.,

for his marriage to Travis' wife, 42
years old.

Travis' body, buried in a shallow
grave, was unearthed Sunday, and
Meyers and Mrs. Travis, who were
living on a farm near Grand, Mich.,
were placed under arrest. Just be-
fore Meyers was to be taken before a
coroner's jury, he broke down and
confessed, exonerating Mrs. Travis
of any part in the crime.

Mrs. Travis, he said, waited some
time for her husband to return to
her, and then consented to live with
